

PRESENTS:

Child and Family Advocacy Program

The Child and Family Advocacy Program is a voluntary, confidential and supportive service for parents and children involved or at risk of being involved in the Child Welfare system.

Our Family Advocates work with individuals to create an action plan based on their identified needs and goals. The aim of the program is to increase safety and access to meaningful community resources!

Advocacy services are flexible and can be provided at the agency, in the community or in the home.

Advocacy Services Include

- Information and Referrals
- Personal Advocacy
- Emotional Support
- Accompaniment
- Safety Services
- Shelter/Housing Services
- Criminal/Civil Justice System Assistance
- Parenting Support/Workshops
